THE COMPANY

THE IMPORTANCE OF A RELIABLE PARTNER

ECOH MEDIA was founded in 1996 by a group of professionals from different yet complementary industries, with the aim of creating customized IT and web solutions systems for the Italian and international markets.

In order to fulfill the needs of the market, ECOH MEDIA operates with three technical departments in the executive offices in Pescara, Varese and Rome.

Over the years, ECOH MEDIA has consolidated its expertise by working on increasingly complex architectures and different technology platforms to develop solutions in which the analytical skills, know-how and flexibility in dealing with customers have always played a positive crucial role.

ECOH MEDIA now offers:

- Technological Specialization
- Expertise in Performance Management
- Ability to represent and communicate integrating facilities and expertise.

Three specialized and highly referenced Business Units (APPS, BIEPM and WOOL) with their technological and functional teams that work together to get the best and most effective results.

High quality products and partnerships complete the picture of a successful range of services provided in the different industries.

ECOH MEDIA has successfully set projects and solutions that have added value to the sectors: Manufacturing, Services, Fashion and Furniture, Public, Healthcare and Utilities.

CERTIFICATIONS

ECOH MEDIA is certified with Quality System UNI EN ISO 9001 by DNV-GL.

This certification ensures that products and services are the result of processes developed on the basis of efficiency and cost optimization, according to the criteria established by the documentation and the competent personnel, to make sure they live up to customers' expectations.
